

ALL-NATURAL HOME CLEANING

A spotless home, nothing toxic left behind.

Meticulous, white-glove cleaning for upscale homes and workspaces — using only plant-based, non-toxic products that are safe for the people, pets, and staff who live and work there.

Request a cleaning

See the difference

- Non-toxic & plant-based
- Safe for kids & pets
- Residential & commercial

Every product safe enough to use around your family.

sunlit upscale living room

Non-toxic products

Plant-based and biodegradable. No harsh fumes, no residue left on the surfaces your family touches.

Safe for kids & pets

Clean a nursery, a kitchen counter, or a pet's space with total peace of mind.

Meticulous detail

The corners, the baseboards, the oven glass — the things most cleaners skip are where we start.

Discreet & dependable

The same trusted team, on schedule, treating your home and privacy with care.

WHAT IT'S LIKE TO WORK WITH LAUREN

Effortless for you, from first call to the final detail.

No guesswork, no pushy sales. A simple, considered process built around your home and your schedule.

01

Walkthrough & quote

Tell us about your space. We listen, understand the priorities, and give a clear, honest estimate.

02

A clean tailored to you

Natural products chosen for your surfaces and a checklist matched to what matters most in your home.

03

White-glove detail

The meticulous part. We treat every surface with care and finish the details others overlook.

04

Dependable follow-up

Love it? Set a recurring rhythm. The same trusted team returns on a schedule that suits you.

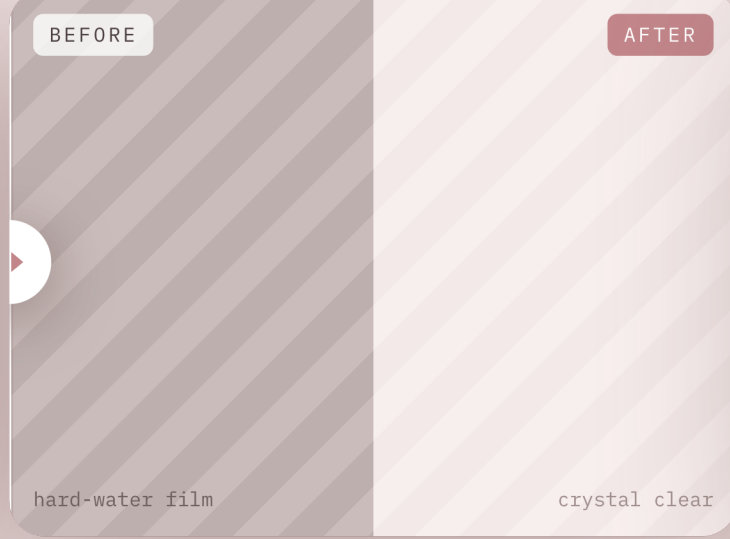

SEE THE DIFFERENCE

WHY ALL-NATURAL MATTERS

A clean you can breathe in.

Conventional cleaners leave behind fumes and residue on the surfaces your family touches every day. We use plant-based, non-toxic products that get the same beautiful results — without the trade-off.

Plant-based

Derived from natural ingredients, not harsh synthetic chemicals.

Non-toxic

Safe to use around children, pets, and food-prep surfaces.

Low-fragrance

A fresh, clean home without overpowering artificial scents.

Biodegradable

Gentler on your home and on the world outside it.

WHAT WE CLEAN

Two ways to work together.

Residential

Upscale homes, apartments, and estates. Deep cleans, regular upkeep, and move-in / move-out — all with products safe for your family and pets.

- Whole-home deep & recurring cleans
- Kitchens, baths, ovens & glass
- Move-in & move-out

[Request residential →](#)

Commercial

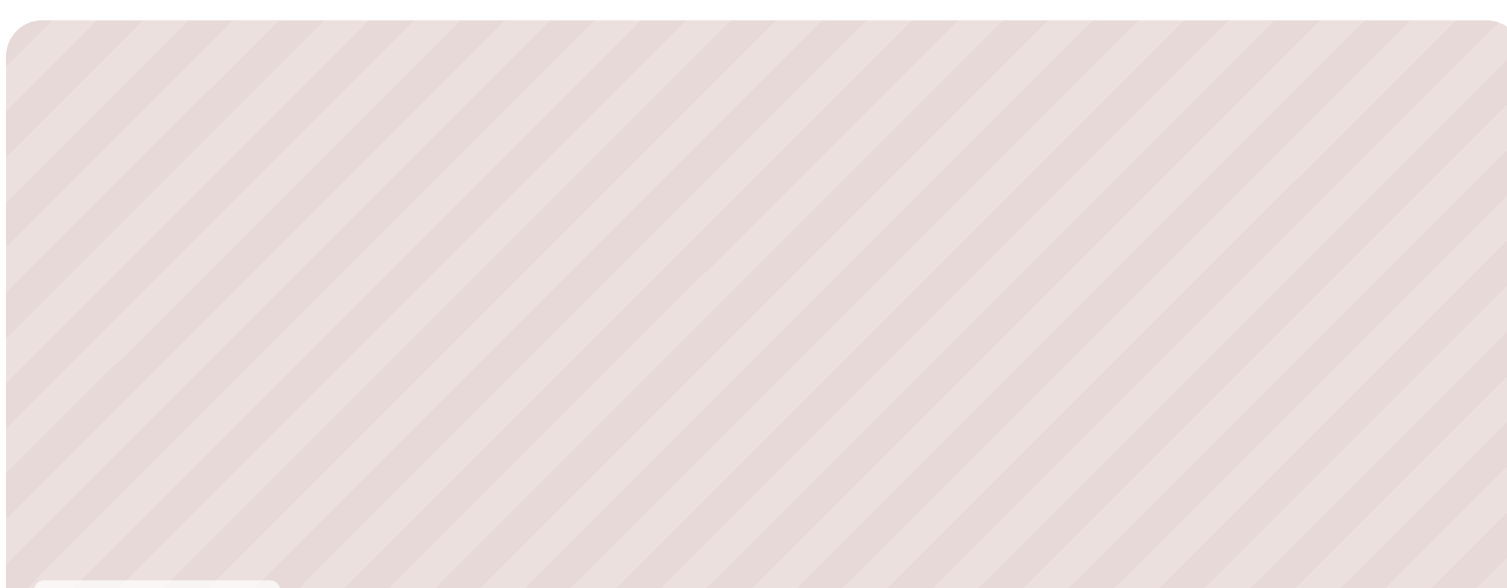

Offices, boutiques, and managed properties that want an eco-friendly clean their team and clients can feel good about.

- Offices & retail spaces
- Recurring scheduled service
- Non-toxic, low-disruption products

IN THEIR WORDS

Trusted in homes like yours.

“My home has never looked better, and I love that I don't have to air it out afterward. Everything they use is safe for my kids.”

● Sample testimonial
Homeowner

“Dependable, discreet, and meticulous. Our office gets the same care every week and our team actually notices the difference.”

● Sample testimonial
Office manager

“The before/after on my oven was unreal. Booking a recurring clean with Lauren was the easiest decision.”
